FROM SISTERS COFFEE COMPANY A LITTLE NOTE FROM THE OWNER

Dear Sisters Coffee Customer,

Thank you for your continual support over this last year, and for some of you over the last 21 years. We simply cannot say "thank you" enough. We appreciate you very much and literally couldn't do what we are doing without you.

I am pleased to say that over the last year we have invested thousands and thousands of dollars into developing countries, including over \$45,000 to a single farm: Guatemala Finca Villaure. YOU are making a difference in the lives of hundreds of farmers around the world. Not only that, but you also provided jobs for over 30 people this past year in the town of Sisters alone... YOU are helping our economy heal! YOU are helping families pay their bills every month! And YOU are the reason we are doing what we do! I hope you have enjoyed your experience with us and feel free to contact me with any comments, questions, or concerns you may have.

Sincerely,

W. C. Durham, 541-549-8976

COFFEE PROFILE:

ONE QUIET MOMENT

Our one-of-a-kind Christmas blend offers a full, smooth-flavored experience with a great mild body and easy finish. Great for any holiday and the festive green bag makes it a great gift idea. The blend received its name from the song "One Quiet Moment" by the a capella group Glad. The song is about when Mary took a step of faith, believed God, and "accepted the part she would have in God's plan" to become the virgin mother of Jesus... in One Quiet Moment.

Merry Christmas
